Great building lot in a golf course neighborhood with community water, no need to drill a well. This lot lays very well for a walkout basement home. The adjacent lot is for sale as well, \$25, 000 for each, or \$40, 000 for both lots combined. These lots are some of the last premium lots that have not been developed, it has matured woods and multiple build sites. a septic system will need to be installed.
